WELCOME MESSAGE

Dear Healthcare Professional,

I am delighted to present you with the programme agendas for the Healthcare Recruitment & Training Fair, taking place at the Abu Dhabi National Exhibition Centre (ADNEC) from 22 - 24 October 2016. Featuring 13 clinical conferences and 6 healthcare business-oriented masterclasses, this event is sure to encompass the entire spectrum of healthcare professionals in the UAE.

What's new?

This year, we will be catering to more clinical specialties than ever before. New conferences include:

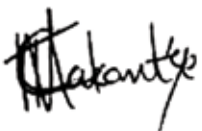

- » Cardiology
- » Critical Care
- » Dermatology
- » Family Medicine
- » Infectious Diseases
- » Physical Medicine & Rehabilitation
- » Urology

Healthcare Management is the new addition to the non-clinical masterclasses.

Over the three days, delegates have the chance to attend a variety of plenaries, panel discussions and interactive activities within the different conferences. Participants will also have the opportunity to network and share best practice with other professionals who are leaders in healthcare – all while earning CME points.

We look forward to welcoming you to the 3rd edition of Healthcare Recruitment & Training Fair.

Best regards,

Cynthia Makarutse

Conference Producer
Informa Life Sciences Exhibitions

Urology Conference

KEY TOPICS:

- » Pharmacotherapy of BPH: The risk stratified approach
- » PDE-5 Inhibitors for treatment of BPH LUTS and ED
- » Debate: Radical prostatectomy or radiotherapy - the patient or Physician's choice?
- » Robotic assisted radical prostatectomy: Does it make a difference?

BENEFITS OF ATTENDING:

- » Critique minimally invasive innovations in the treatment of BPH
- » Examine treatments for castrate resistant prostate cancer
- » Optimize prostate cancer diagnosis by utilising transperineal, transrectal and MRI- ultrasound fusion targeted biopsies

WHO SHOULD ATTEND?

- » Urologists
- » Surgical urologists
- » Urology Consultants
- » Oncologists

Saturday 22nd October 2016

IN PARTNERSHIP WITH:

Programme:

10:50 Welcome and opening remarks
Dr Mohsen Mohamed El Mekresh

SESSION 1: BENIGN DISEASES OF THE PROSTATE (BPH)

11:00 Pharmacotherapy of BPH: The risk stratified approach
Dr Mohamed Ziani

11:30 Minimally invasive innovations in treatment of BPH
Dr Mohsen Mohamed El Mekresh

12:00 PDE-5 Inhibitors for treatment of BPH LUTS and ED
Dr Wael Tosson

12:30 Case discussion and questions

13:00 VISIT EXHIBITION

SESSION 2: PROSTATE CANCER

14:30 Debate: Radical prostatectomy or radiotherapy - the patient or Physician's choice?
Prof Yasser Osman
Dr Kalid Balaraj

15:30 Treatment of castrate resistant prostate cancer
Dr Aref Chehal

16:00 Optimizing prostate cancer diagnosis: Transperineal, transrectal and MRI- ultrasound fusion targeted biopsies
Dr Basheer Zindha

16:30 Robotic assisted radical prostatectomy: Does it make a difference?
Dr Christian Gilfrich

17:00 Case discussion and questions

17:30 WRAP UP AND END OF CONFERENCE

Urology Conference

Saturday 22nd October 2016

SPEAKER FACULTY

Conference Chair:

Dr Mohsen Mohamed El Mekresh, Chair of Department; Physician - Surgical Services; Physician - Practice Services, Al Mafrq Hospital, Abu Dhabi, UAE

Activity Director:

Dr Kashif Siddiqi, Urologist, Staff Physician: Surgical Subspecialties Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Dr Aref Chehal, Consultant Medical Oncology, Mafrq Hospital, Abu Dhabi, UAE

Dr Basheer Zindha, Specialist Radiologist, Ahalia Hospital, Abu Dhabi, UAE

Dr Christian Gilfrich, Head of Department of Urology, Manager of the Prostatecancer-Center, Straubing, Germany

Dr Kalid Balaraj, Consultant Radiation Oncologist, Tawam Hospital, Al Ain, UAE

Dr Mohamed Ziani, Head of Urology, Sheikh Khalifa Medical City, Abu Dhabi, UAE

Dr Wael Tosson, Senior Consultant and Head of Urology Department, RAK Hospital, Ras Al Khaimah, UAE

Prof Yasser Osman, Consultant Renal Transplant surgeon; Lecturer in Urology, Urology & Nephrology Center, Mansoura University, Mansoura, Egypt

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 5.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution for all faculty conflicts of interest. Faculty declaring a relevant interest will be identified in the activity syllabus.

Obs-Gyne Conference

KEY TOPICS:

- » Can we reduce the death rate from female genital cancers?
- » Recurrent miscarriage: An update
- » Preterm labour prevention and management
- » Scar pregnancy diagnosis and management

BENEFITS OF ATTENDING:

- » Integrate obstetric cholestasis updates into your practice
- » Discuss uterovaginal prolapse
- » Review strategies for the prevention and management of preterm labour
- » Determine how to avoid the pitfalls of gynaecological laparoscopic surgery
- » Evaluate recent advances in the management of endometriosis

WHO SHOULD ATTEND?

- » Gynaecologists
- » Obstetricians
- » Family Practice Physicians
- » Womens Health Physicians

Saturday 22nd October 2016

Programme:

11:00 Welcome and opening remarks
Dr Sadoon Sami Sadoon
Dr Leanne Bricker

SESSION 1

11:15 Can we reduce the death rate from female genital cancers?
Dr Saad Aswad

11:45 Obstetric cholestasis update
Dr Soha Said

12:15 Recurrent miscarriage: An update
Dr Feroza Dawood

12:45 Interesting fetal medicine cases
Dr Werner Diehl

13:15 VISIT EXHIBITION

SESSION 2

14:15 Uterovaginal prolapse
Dr Amit Majumdar

14:45 Preterm labour prevention and management
Dr Andrew Carlin

15:15 Avoiding the pitfalls of gynaecological laparoscopic surgery
Dr Sadoon Sami Sadoon

SESSION 3

16:00 Management of reduced fetal movement
Dr Leanne Bricker

16:30 Scar pregnancy diagnosis and management
Dr Ghada Salman

17:00 Recent advances in the management of endometriosis
Dr Islam Sidki

17:30 WRAP-UP AND END OF CONFERENCE

Obs-Gyne Conference

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution for all faculty conflicts of interest. Faculty declaring a relevant interest will be identified in the activity syllabus.

Saturday 22nd October 2016

SPEAKER FACULTY

Conference Chairs:

Dr Leanne Bricker, Chair and Consultant: Fetal Medicine, Corniche Hospital, Abu Dhabi, UAE

Dr Sadoon Sami Sadoon, Division Chief: Gynaecology, Corniche Hospital, Abu Dhabi, UAE

Activity Director:

Dr Habibeh Gitiforoos, Obstetrician-Gynecologist: Regional Obstetrics and Gynecology, Cleveland Clinic, Cleveland, Ohio, USA

Speakers:

Dr Amit Majumdar, Consultant Physician: Obstetrics and Gynaecology Department – CMO, Corniche Hospital, Abu Dhabi, UAE

Dr Andrew Carlin, Deputy Head of Clinic; Head of sector Obstetrics, CHU Brugmann UVC, Brussels, Belgium

Dr Feroza Dawood, Consultant and Head of Obstetrics and Gynaecology, The Nation Hospital, Abu Dhabi, UAE

Dr Ghada Salman, Consultant Gynaecologist, University College Hospital, London, UK

Dr Islam Sidki, Consultant Gynaecologist, Tawam Hospital, Al Ain, UAE

Dr Saad Aswad, Senior Consultant Gynaecological Oncologist, Chief of Gynaecological Oncology Division & Chair of Obstetrics and Gynaecology Department, Tawam Hospital, Al Ain, UAE

Dr Soha Said, Consultant: Obstetrics, Gynaecology & Fetal Medicine; Lead Clinician: Labour ward, Corniche Hospital, Abu Dhabi, UAE

Dr Werner Diehl, Consultant: Fetal Medicine, Corniche Hospital, Abu Dhabi, UAE

Critical Care Conference

KEY TOPICS:

- » Sepsis - the good the bad and the ugly
- » Outcomes of mechanical ventilation
- » ARDS: Any progress other than protective lung ventilation?
- » The end point of resuscitation in septic shock

BENEFITS OF ATTENDING:

- » Employ strategies for enhanced recovery after cardiac surgery
- » Practice methods for the management of difficult airways
- » Utilise quality measures in the ICU

WHO SHOULD ATTEND?

- » Intensivists
- » Critical Care/Intensive Care Physicians
- » Pain Medicine Physicians
- » Critical Care Nurses
- » Emergency Nurses

Saturday 22nd October 2016

Programme:

11:20 Welcome and opening remarks
Dr Khaled M. Saleh

SESSION 1

11:30 Sepsis - the good the bad and the ugly
Dr Hala Abuzeid Hamed

12:00 Enhanced recovery after cardiac surgery
Dr Maurice Hogan

12:30 Management of difficult airways
Dr D. John Doyle

13:00 Outcomes of mechanical ventilation
Dr Ali Saeed Wahla

13:30 Nutrition in the ICU
Ranim Kaddoura

14:00 VISIT EXHIBITION

SESSION 2

15:30 Quality measures in the ICU
Dr Hon Hubert

16:00 ARDS: Any progress other than protective lung ventilation?
Dr Ahmad Husari

16:30 The end point of resuscitation in septic shock
Dr Jan Bakker

17:00 WRAP UP & END OF CONFERENCE

SPEAKER FACULTY

Activity Director:

Dr Khaled M. Saleh, Staff Physician: Respiratory & Critical Care Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Dr Ahmad Husari, Consultant: Internal Medicine, Pulmonary, Critical Care Medicine and Sleep Medicine; Assistant Prof, American University of Beirut Medical Centre, Beirut, Lebanon
Dr Ali Saeed Wahla, Staff Physician: Respiratory & Critical Care Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
Dr Hala Abuzeid Hamed, Consultant: Critical Care, Mafrqa Hospital, Abu Dhabi, UAE
Dr Hon Hubert, Chair: Critical Care Medicine, Consultant Paediatric Intensivist, Sheikh Khalifa Medical City, Abu Dhabi, UAE
Dr Jan Bakker, Vice Chairman: Intensive Care Department, Erasmus University Medical Centre, Rotterdam, Netherlands
Dr D. John Doyle, Chief: General Anaesthesiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
Dr Maurice Hogan, Staff Physician: Anaesthesiology Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
Ranim Kaddoura, Nutritionist, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Advances in Surgery Conference

KEY TOPICS:

- » Current state of transplant surgery in the United Arab Emirates
- » Management of complex anal fistulas
- » Modern management of abdominal hernias
- » Use of USG in management of emergency surgery

BENEFITS OF ATTENDING:

- » Formulate strategies for the management of abdominal pain for post-bariatric surgery
- » Review advances in minimally invasive coloproctology surgery
- » Evaluate recent advances in the management of perianal disorders using lasers

WHO SHOULD ATTEND?

- » General Surgeons
- » Laparoscopic surgeons
- » Bariatric surgeons
- » Gastrointestinal Surgeons

Saturday 22nd October 2016

Programme:

12:20 Welcome and opening remarks
Dr Anshul Govila
Dr Yasir Akmal

SESSION 1

12:30 Keynote presentation: Current state of transplant surgery in the United Arab Emirates
Dr Mohammed Bader Zaman

13:00 Management of abdominal pain post-bariatric surgery
Dr Mohammed Hadad

13:20 Advances in minimally invasive coloproctology surgery
Dr Massimo Christaldi

13:40 Reducing the learning curve for complex minimally invasive operations
Dr Yasir Akmal

14:00 Recent advances in management of perianal disorders using lasers
Dr Ritu Khare

14:20 Management of complex anal fistulas
Dr Lameese Tabaja

14:40 VISIT EXHIBITION

SESSION 2

16:00 Modern management of abdominal hernias
Dr Carlos Abril

16:20 Use of USG in management of emergency surgery
Dr Rasha Buhamaid

17:00 WRAP-UP AND END OF CONFERENCE

Advances in Surgery Conference

SPEAKER FACULTY

Conference Chair:

Dr Anshul Govila, General & Laparoscopic Surgeon; Deputy Chief Operating Officer, **Universal Hospitals, Abu Dhabi, UAE**

Activity Director:

Dr Yasir Akmal, Consultant General and Oncologic Surgeon, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Speakers:

Dr Carlos Abril, Consultant General Surgeon, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Dr Lameese Tabaja, Specialist Colorectal Surgeon, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Dr Massimo Christaldi, Coloproctology Surgeon, **Harley Street Medical Centre, Abu Dhabi, UAE**

Dr Mohammed Bader Zaman, Transplant Surgeon, **Sheikh Khalifa Medical City, Abu Dhabi, UAE**

Dr Mohammed Hadad, Bariatric Surgeon, **Healthpoint, Dubai, UAE**

Dr Rasha Buhamaid, Consultant ER Physician, **Sheikh Khalifa Medical City, Abu Dhabi, UAE**

Dr Ritu Khare, Specialist Surgeon, **Al Zahra Hospital, Dubai, UAE**

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution for all faculty conflicts of interest. Faculty declaring a relevant interest will be identified in the activity syllabus.

Family Medicine Conference

*Preventive care in
family practice*

KEY TOPICS:

- » Preventive care in family practice
- » Preventive services optimisation and management
- » Disease control best practices

BENEFITS OF ATTENDING:

- » Examine preventive service gaps and plan steps to empower preventive care services
- » Review the role of family medicine in preventing the progress of pre-diabetes to diabetes
- » Apply best practices in identification and management of aging and geriatrics syndromes
- » Discuss updated recommendations for the screening of cancer

WHO SHOULD ATTEND?

- » Cardiologists
- » Endocrinologists
- » Specialists in Family Practice
- » Infectious disease specialists
- » Internal medicine and subspecialties specialists
- » General practitioners
- » Psychiatrists and Psychologists
- » Social Workers
- » Counselors
- » Nurses / Nurse Practitioners
- » Physician Assistants
- » Professors / Scientists
- » Researchers
- » Residents / Fellows
- » Students
- » Therapists

Sunday 23rd October 2016

Programme:

10:20 Welcome and opening remarks
Dr Osman El-Labban

SESSION 1 – ARE YOUR PATIENTS GETTING THE PREVENTIVE SERVICES THEY NEED?

Moderator: Dr Hanan Sheikh Ibrahim

10:40 Immunisation: Updates on adult immunisations recommendations and resolving patients' vaccination uncertainty
Dr Mohammed Reza Dashtdar

11:20 Nutrition and Diabetes Mellitus: Preventing the progression of pre-diabetes to diabetes
Dr Dimitrious Spanos

11:50 Panel discussion: Practical approach for empowering preventive care services

- Increasing physician education
- Increasing patient education through various appropriate forms of patient information and creating patients' incentives
- Improving reminder systems and application of group delivery of screening/intervention
- Utilising non-physician staff and getting paid for prevention by insurance companies as a resource

Moderator:

Dr Ghassan Hamadeh

Panellists:

- Dr Khaled M Saleh
- Dr Mohammed Reza Dashtdar
- Dr Osman El-Labban

12:50 VISIT EXHIBITION

SESSION 2 – DISEASE CONTROL BEST PRACTICES AND OTHER HOT TOPICS

Moderator: Dr Osman El-Labban

14:00 Best practices in identification and management of ageing and geriatrics syndromes
Dr Hanan Sheikh Ibrahim

14:30 Cancer prevention: Updated recommendations for the screening of cancer
Dr Ghassan Hamadeh

15:00 Combating cardiac risk factors: early identification and management
Dr Samer Ellahham

15:30 Psychiatry prevention: Early identification of depression, alcohol and drug dependence
Dr Tareq Gawad

16:00 Increasing physical activity: Exercise-deficit disorder (EDD)
Dr Kirill Micallef Stafrace

16:30 Chair's closing remarks

16:35 WRAP UP AND END OF CONFERENCE

Family Medicine Conference

*Preventive care in
family practice*

SPEAKER FACULTY

Conference Chair:

Dr Osman El-Labban, Family Medicine Consultant, Head of Family Medicine Department, Al Zahra Hospital, Dubai, UAE

Activity Director:

Dr Hanan Sheikh Ibrahim, Consultant Internist, Geriatrician, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Dr Dimitrios Spanos, Clinical Dietetics Manager, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Ghassan Hamadeh, Professor and Chair of Family Medicine, American University of Beirut, Beirut, Lebanon

Dr Khaled M Saleh, Staff Physician, Respiratory and Critical Care Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Kirill Micallef Stafrace, Vice President European Federation of Sports Medicine Associations Consultant Sports and Exercise Medicine, President Maltese Association of Sports and Exercise Medicine, Director Maltese Olympic Committee, Senior Lecturer, University of Malta, Valletta, Malta

Dr Mohammed Reza Dashtdar, General Practitioner, Rashid Hospital, Dubai, UAE

Dr Samer Ellahham, Chief Quality Officer, Sheikh Khalifa Medical City, Abu Dhabi, UAE

Dr Tareq Gawad, Treatment Director, National Rehabilitation Centre, Abu Dhabi, UAE

Anaesthesia Conference

New developments in the art and science of Anaesthesia

KEY TOPICS:

- » New developments in clinical airway management
- » Simple regional blocks that every Anaesthesiologist should know
- » Enhanced recovery after anaesthesia and surgery
- » Managing the coagulopathic patient

BENEFITS OF ATTENDING:

- » Interpret new data and new concepts for trauma patient anaesthesia
- » Measure new developments in perioperative pain management
- » Debate the guidelines and standards for bariatric anaesthesia
- » Identify new developments in perioperative fluid therapy

WHO SHOULD ATTEND?

- » Anaesthesiologists
- » Anaesthesia Technicians
- » Pain Management Specialists
- » Chief Anaesthesiologists
- » Consultant Anaesthesiologists
- » Intensive Care Medicine Healthcare Professionals
- » Anaesthesia Residents
- » Nurse Practitioners

Sunday 23rd October 2016

Programme:

11:15 Welcome and opening remarks
Dr D. John Doyle

SESSION 1

11:30 New developments in clinical airway management
Dr D. John Doyle

12:00 Anaesthesia for the trauma patient: new data, new concepts
Dr Awadh Ali AlMugadam AlMahri

12:30 Simple regional blocks that every anaesthesiologist should know
Dr Mohamed Samy Abdel Raheem

13:00 Bariatric Anaesthesia: review and update
Dr Yasser Zaghoul

13:30 New developments in perioperative pain management
Dr Amit Asopa

14:00 VISIT EXHIBITION

SESSION 2

15:00 Keynote presentation: Diving and anaesthesia- exploring the physiological similarities
Dr Massimo Ferrigno

15:30 Enhanced recovery after anaesthesia and surgery
Dr Medhat Shalabi

16:00 Managing the coagulopathic patient
Dr Arun Kumar

16:30 New developments in perioperative fluid therapy
Dr D. John Doyle

17:00 WRAP-UP AND END OF CONFERENCE

Anaesthesia Conference

New developments in the art and science of Anaesthesia

Sunday 23rd October 2016

SPEAKER FACULTY

Activity Director:

Dr D. John Doyle, Chief: General Anaesthesiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Dr Amit Asopa, Staff Physician: Anaesthesiology Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Arun Kumar, Staff Physician: Anaesthesiology Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Awadh Ali AlMugadam AlMahri, Head: Anaesthesia Department, Zayed Military Hospital, Abu Dhabi, UAE

Dr Massimo Ferrigno, Chief: Anaesthesiology Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Medhat Shalabi, Consultant Anaesthesiologist, Al Zahra Hospital, Dubai, UAE

Dr Mohamed Samy Abdel Raheem, Consultant Anaesthesiologist, Corniche Hospital, Abu Dhabi, UAE

Dr Yasser Zaghloul, Consultant Anaesthesiologist, Sheikh Khalifa Medical City, Abu Dhabi, UAE

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution for all faculty conflicts of interest. Faculty declaring a relevant interest will be identified in the activity syllabus.

Infectious Diseases Conference

KEY TOPICS:

- » Global challenges of the top 5 emerging infections in the last decade
- » Zika update; an emerging virus infection
- » CLSI and 2016 updates: making sense of the antibiogram reports

BENEFITS OF ATTENDING:

- » Appraise the UAE's preparedness for emerging infections and determine areas of weakness
- » Evaluate the data regarding the prevalence of drug resistance in the GCC
- » Discuss the challenges in infection control and define new measures to employ
- » Debate antimicrobial stewardship and its benefits

WHO SHOULD ATTEND?

- » Infectious Disease Specialist/ Consultant
- » Clinical Microbiologists
- » Physicians

Sunday 23rd October 2016

Programme:

11:45 Welcome and opening remarks
Dr Lyssette L. Cardona

SESSION 1

12:00 Global challenges of the top 5 emerging infections in the last decade
Dr Manaf Al Qahtani

12:30 UAE and preparedness for emerging infections
Dr Farida Al Hosani

13:00 Zika update; an emerging virus infection
Dr Andrzej Szeffler

13:30 Prevalence of drug resistance in the GCC: strengthening the data
Dr Hanan Balkhy

14:00 Drugs and the bugs: is the pipeline dry?
Dr Asad Afroz Khan

14:30 VISIT EXHIBITION

SESSION 2

15:30 Microbiology lab and emerging resistance: how can we keep up?
Prof. Dr. Agnes Sonnevend

16:00 CLSI and 2016 updates: making sense of the antibiogram reports
Dr Adnan Alatoom

16:30 Antimicrobial stewardship: what's the fuss?
Dr Rania El Lababidi

17:00 Challenges in infection control: Is it realistic?
Dr Elias Tannous

17:30 WRAP-UP AND END OF CONFERENCE

Infectious Diseases Conference

SPEAKER FACULTY

Activity Director:

Dr Lysette L. Cardona, Chief: Infectious Diseases and Occupational Health, Medical Subspecialties Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Dr Adnan Alatoon, Clinical Microbiology Consultant: Pathology Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Prof. Dr. Agnes Sonnevend, Consultant Clinical Microbiologist; Associate Professor: Medical Microbiology and Immunology Department, UAE University, Al Ain, UAE

Dr Andrzej Szeffler, Family Practice Specialist, Johns Hopkins Aramco Healthcare Medical, Dhahran, KSA

Dr Asad Afroz Khan, Division Chief: Infectious Diseases- Med. Clinic - Medical Affairs, Tawam Hospital, Al Ain, UAE

Dr Elias Tannous, Infection Control Practitioner, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Farida Al Hosani, Manager: Communicable Diseases Department, Public Health, Health Authority Abu Dhabi (HAAD), Abu Dhabi, UAE

Dr Hanan Balkhy, Chairman, King Abdullah International Medical Research Centre; Executive Director: Infection Prevention and Control Department, Hospital Epidemiology, King Saud bin Abdulaziz University for Health Sciences, Riyadh, KSA

Dr Manaf Al Qahtani, Consultant Internist & Infectious Diseases - Medical Department; Senior Microbiology Lecturer- RCSI-MUB, Clinical Microbiologist - Head of Microbiology Pathology and Laboratory Medicine Department, Royal Medical Services, Bahrain Defence Force Hospital, Ar-Rifaa, Bahrain

Dr Rania El Lababidi, Pharmacy Education and Training Manager; Co-Chair: Antimicrobial Stewardship Program, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Accreditation Statement

Faculty declaring a relevant interest will be identified in the activity syllabus.

Imaging and Radiology Conference

KEY TOPICS:

- » Therapeutics and diagnostics
- » Interventional radiology
- » Complex case vignettes and imaging best practices

BENEFITS OF ATTENDING:

- » Review the diagnosis and management of visceral artery aneurysms
- » Apply transthoracic lung biopsy for diagnosis and screening of carcinoma
- » Review interventional radiology procedures in the male urogenital system
- » Assess visualisation techniques of small vasculature

WHO SHOULD ATTEND?

- » Radiology specialists
- » Radiation safety officers
- » Sonographers
- » Sonologists
- » Ultrasonologists
- » Scientists
- » Researchers
- » Residents/ Fellows

Programme:

10:00 Welcome & opening remarks
Dr Moulay A. Meziane

SESSION 1: THERAPEUTICS AND DIAGNOSTICS

Moderator: Dr Moulay A Meziane

10:05 Visceral artery aneurysms: Diagnosis and management
Dr Asim Khwaja

10:40 Applying transthoracic lung biopsy for screening
Dr Moulay A Meziane

11:20 Interventional radiology procedures in the male urogenital system
Dr Jamal Al Deen Al Koteesh

12:20 Improving visualisation of small vasculature and complex flow patterns
To be confirmed

12:50 VISIT EXHIBITION

SESSION 2: INTERVENTIONAL RADIOLOGY

Moderator: Dr Moulay A Meziane

13:50 Interventional management of post-partum haemorrhage
Dr Hicham Abada

14:30 Thoracic spinal intradural arachnoid cyst: Report of two cases and review of literature
Dr Fadi Younis

15:10 Panel discussion: Complex case examples and imaging best practices
Dr Moulay A. Meziane
Dr Jamal Al Deen Al Koteesh
Samar Al Mawy
Dr Asim Khwaja

16:10 WRAP UP AND END OF CONFERENCE

SPEAKER FACULTY

Activity Director:

Dr Moulay A. Meziane, Chief of Imaging Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Dr Asim Khwaja, Chair, Department Radiology - Medical Affairs, Sheikh Khalifa Medical City, Abu Dhabi, UAE

Dr Fadi Younis, Staff Physician, Imaging Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Hicham Abada, Chief Interventional Radiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Jamal Al Deen Al Koteesh, Chair of Department, Clinical Imaging Institute, Al Ain Hospital, Al Ain, UAE

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

Faculty declaring a relevant interest will be identified in the activity syllabus.

Cardiology Conference

KEY TOPICS:

- » Update on atrial fibrillation ablation
- » Percutaneous valvular heart disease interventions
- » Acute decompensated heart failure and the impact of readmissions

BENEFITS OF ATTENDING:

- » Discuss peripheral vascular disease and available treatments
- » Evaluate the latest updates on atrial fibrillation ablation
- » Appraise the latest implantable devices
- » Debate the management of chronic heart failure in light of the new guidelines

WHO SHOULD ATTEND?

- » Cardiologists
- » Cardiovascular Consultants
- » Interventional Cardiologists
- » Endovascular Surgeons/ Vascular Surgeons

Monday 24th October 2016

Programme:

10:50 Welcome and opening remarks
Dr Omar Hallak
Dr Feras Bader

SESSION 1: CORONARY AND PERIPHERAL VASCULAR DISEASE

11:00 Why the bio-absorbable stent, implantation technique
Dr Omar Hallak

11:20 Percutaneous valvular heart disease interventions
Dr Wael EL Abbasi

11:40 Peripheral vascular disease- state of the art
Dr Faisal Hasan

12:00 Q & A

12:15 VISIT EXHIBITION

SESSION 2: ARRHYTHMIA AND DEVICES

13:30 Update on atrial fibrillation ablation
Dr Salem Alkaabi

13:50 The latest and the greatest of implantable devices
To be confirmed

14:10 What great things can we still learn from ECGs
Dr Antonio Sorgente

14:30 Q & A

SESSION 3: CARDIAC IMAGING

15:00 What's new in Echocardiography
Dr Mohammed Khalil

15:20 Utilization of modern cardiac imaging in CHD
Dr Rami Harb

15:40 Q & A

SESSION 4: HEART FAILURE

16:00 Management of chronic heart failure in light of the new guidelines
Dr Samer Ellaham

16:20 Acute decompensated heart failure and the impact of readmissions
Dr Feras Bader

16:40 Q & A

17:00 WRAP UP & END OF CONFERENCE

Cardiology Conference

SPEAKER FACULTY

Conference Chair:

Dr Omar Hallak, Consultant: Interventional Cardiology; President (Gulf Chapter), **International Society of Endovascular Specialists**; Interventional Cardiologist, **Heart Centre, American Hospital, Dubai, UAE**

Activity Director:

Dr Feras Bader, Consultant Cardiologist, **Advanced Heart Failure and Transplant**; Chairman, **Heart Failure Working Group of Emirates Cardiac Society, Heart & Vascular Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Speakers:

Dr Antonio Sorgente, Staff Physician: Cardiovascular Medicine, Heart Vascular Institute, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Dr Faisal Hasan, Staff Physician: Heart & Vascular Institute, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Dr Mohammed Khalil, Staff Physician: Cardiovascular Medicine, Heart Vascular Institute, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Dr Rami Harb, Consultant Cardiologist, **North Middlesex University Hospital, London, UK**

Dr Salem Alkaabi, Adult Interventional Cardiologist and Electrophysiology Consultant, Director of Electrophysiology Service, **Zayed Military Hospital, Abu Dhabi, UAE**

Dr Samer Ellaham, Chief Quality Officer, **Sheikh Khalifa Medical City, Abu Dhabi, UAE**

Dr Wael Al Abbasi, Consultant Cardiologist, **Al Qassimi Hospital, Sharjah, UAE**

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution for all faculty conflicts of interest. Faculty declaring a relevant interest will be identified in the activity syllabus.

Dermatology Conference

KEY TOPICS:

- » Clinicopathology correlation
- » Melanoma updates
- » Hair disorders and trichoscopy
- » Updates in clinical practice

BENEFITS OF ATTENDING:

- » Assess melanoma prevalence in the region and techniques such as mole mapping
- » Discuss dermoscopy and its benefits
- » Apply strategies for hair fall after bariatric surgery

WHO SHOULD ATTEND?

- » Dermatologists
- » Consultant Dermatologists
- » Chiefs/Heads of Dermatology

Programme:

11:00 Welcome & opening remarks
Dr Marwa Elbadawy
Dr James Willis

SESSION 1

11:15 Clinicopathology correlation
Dr Reem El Bahtimi

11:45 Dermoscopy
Dr Marwa Elbadawy

12:15 Melanoma in the region, mole mapping
To be confirmed

12:45 Melanoma updates
Dr Sadir Alrawi

13:15 Q & A

13:30 VISIT EXHIBITION

SESSION 2

14:30 Trichoscopy in clinical practice
Prof Hans Wolff

15:00 Hair fall after bariatric surgery
Dr Fatma Mohamed Mostafa Shaban

15:30 Therapeutic challenges and updates
Prof Dr Basma Mourad

16:00 Updates in clinical practice
Dr Khaled Othman

16:30 Q & A

17:00 WRAP UP AND END OF CONFERENCE

SPEAKER FACULTY

Conference Chair:

Dr Marwa Elbadawy, Specialist Dermatology, Venerology & Laser, Al Zahra Hospital, Dubai, UAE

Activity Director:

Dr James Willis, Consultant Dermatologist; Staff Physician: Medical Subspecialties Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Prof Dr Basma Mourad, Cosmetic Dermatologist, Tanta University, Tanta, Egypt

Dr Fatma Mohamed Mostafa Shaban, Senior Consultant Dermatologist, University Hospital Sharjah, Sharjah, UAE

Prof Hans Wolff, Senior Dr: Department of Dermatology and Allergology, University of Munich Hospital, Munich, Germany

Dr Khaled Othman, Specialist Aesthetic Dermatologist, Al Salama Hospital, Abu Dhabi, UAE

Dr Reem El Bahtimi, Medical Director; Consultant Pathologist; Director of Dermatopathology, National Reference Laboratory, Dubai, UAE

Dr Sadir Alrawi, Director of Surgical Oncology Services, Alzahra Cancer Center, Dubai, UAE

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physical Medicine and Rehabilitation Conference

KEY TOPICS:

- » Standards and regulations
- » Accreditation
- » Centre administration
- » Quality management
- » Rehabilitation programmes

BENEFITS OF ATTENDING:

- » Discuss daily operational challenges
- » Review current rehabilitation programmes
- » Discuss quality assurance and control
- » Review effective physical medicine and rehabilitation therapies

WHO SHOULD ATTEND?

- » CEOs
- » COOs
- » Managing Directors
- » Medical Directors
- » Administration Heads
- » Physiatrists
- » Sports Medicine Specialists
- » Orthopaedists
- » Therapists
- » Social Workers

Monday 24th October 2016

Programme:

11:00 Welcome and opening remarks
Dr Yousif Alnuaimi

SESSION 1:

Moderator: Dr Hamzeh Awad

11:15 Prevention in rehabilitation programmes
Dr Sabahat Asim Wasti

11:45 Current rehabilitation programmes
Dr Yousif Alnuaimi

12:15 New rehabilitation programmes for lifestyle related-diseases
Dr Sabahat Asim Wasti

12:45 Q&A

13:00 VISIT EXHIBITION

SESSION 2

Moderator: Dr Sabahat Asim Wasti

13:45 Functional outcome measures
Ahmed Bashkeel

14:15 The ICF integrative bio-psycho-social model of functioning and disability
Dr Hamzeh Awad

14:45 Disability rehabilitation
Dr Hamzeh Awad

15:15 Q&A

SESSION 3

Moderator: Dr Yousif Alnuaimi

15:30 The shift from a rehab focus to a reconditioning focus in sports medicine; from treating the injury to treating the athlete
Dr Kirill Micallef-Stafrace

16:00 Clinical quality management
Asish Daniel Thomas

16:30 PM&R centres accreditation
To be confirmed

16:45 Q&A

17:00 WRAP UP AND END OF CONFERENCE

Monday 24th October 2016

Physical Medicine and Rehabilitation Conference

SPEAKER FACULTY

Conference Chair:

Dr Yousif Alnuaimi, Chair, Department of Physical Medicine and Rehabilitation, Zayed Military Hospital, Abu Dhabi, UAE

Activity Director:

Dr Vernon Lin, Physiatrist, Physical Medicine and Rehabilitation Department, Cleveland Clinic, Cleveland, Ohio, USA

Planning Committee Members:

Dr Hamzeh Awad, Associate Professor in Health Science, Consultation in Rehabilitation Research and Clinical Practice; Founder, SEHA (for eHealth), Abu Dhabi, UAE

Dr Sabahat Asim Wasti, Medical Director, Rehabilitation Medicine, Cambridge Medical and Rehabilitation Center, Abu Dhabi, UAE

Speakers:

Ahmed Bashkeel, Manager, Inpatient Therapies & Rehabilitation, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Asish Daniel Thomas, Physiotherapist, Zayed Military Hospital, Abu Dhabi, UAE

Dr Kirill Micallef-Stafrace, Vice President, European Federation of Sports Medicine, Attard, Malta

Laboratory Management Conference

KEY TOPICS:

- » Evaluation and improvement in Point of Care Testing (POCT)
- » Risk management
- » Stress management
- » Change management
- » Lean in the laboratory
- » Checklist movement

BENEFITS OF ATTENDING:

- » Improve the performance of the laboratory business
- » Determine the appropriate innovative technologies for a multi-functional laboratory
- » Review the business processes involved in managing the lab
- » Identify lean principles to test products and materials in terms of cost and speed

WHO SHOULD ATTEND?

- » Laboratory directors
- » Heads of laboratories
- » Chiefs of medical laboratory sciences offices
- » Laboratory managers
- » Professors of laboratory medicine
- » Quality Officers
- » Biomedical Engineers
- » Laboratory Technicians
- » Pathologists
- » Social workers

Monday 24th October 2016

Theme: Towards high reliability laboratory services

Programme:

12:15 Welcome and opening remarks
Dr Imran Mirza

SESSION 1

Moderator: Dr Imran Mirza

12:30 Evaluation and continual improvement in Point of Care Testing (POCT)
Jonathan Harris

13:00 Risk management in clinical laboratory
Dr Venkatesh Thuppil

13:30 Brilliance comes from getting the basics right
Kashif Razaq

14:00 Root cause analysis
Edna M Parker

14:30 VISIT EXHIBITION

SESSION 2

Moderator: Dr Imran Mirza

15:30 The Toyota way – lean in the laboratory
Fasila Pallinalakam

16:00 The checklist movement
Dr Imran Mirza

16:30 High reliability laboratory services
To be confirmed

17:00 Change management
Dr Laila Abdel-Wareth

17:30 WRAP UP AND END OF CONFERENCE

SPEAKER FACULTY

Activity Director:

Dr Imran Mirza, Chief, Pathology and Laboratory Medicine Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Speakers:

Edna M Parker, Vice President, National Office of Quality, LabCorp, Burlington, North Carolina, USA

Fasila Pallinalakam, Quality Manager, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Jonathan Harris, POCT Manager, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Kashif Razaq, Continuous Improvement Manager, Cleveland Clinic Abu Dhabi, UAE

Dr Laila Abdel-Wareth, Chief, Department of Clinical Pathology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

Dr Venkatesh Thuppil, Director, National Referral Centre for Lead Projects in India (NRCLPI); National Chairman, Indian Society for Lead Awareness and Research (InSLAR), Bangalore, India

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution for all faculty conflicts of interest. Nursing Conference

KEY TOPICS:

- » Framing a research question – what does the literature say?
- » Choosing a research methodology
- » Lived experience of expatriate nurses working in an emergency department in Saudi Arabia
- » Groin dressing post-cardiac catheter
- » Onsite training for non-invasive ventilation in general wards
- » Electronic EWS: A retrospective study
- » Orientation of internationally educated nurses in a multi-national setting

BENEFITS OF ATTENDING:

- » Identify the link between research and practice and discover how the two can work hand in hand for improved nursing practice
- » Construct ways to build and sustain research capacity in your department
- » Detect the importance of different research methodologies and how to use them
- » Establish an effective after hours' rapid response system in your department

WHO SHOULD ATTEND?

- » Nurse Practitioners
- » Directors of Nursing
- » Registered Nurses
- » Licensed Practical Nurses
- » Licensed Vocational Nurses
- » Nursing Assistants
- » Registered Medical Assistants
- » Practice Development Nurses
- » Clinical Resource Nurses
- » Educators
- » Staff Support Specialists
- » Nurse Managers

Day 1, Saturday 22nd October 2016

Research 101 – Building research capability

LOCALLY ACCREDITED BY:

Programme:

12:00 Welcome and opening remarks
Associate Prof. Jane Griffiths

SESSION 1

Moderator: Associate Prof Jane Griffiths

- 12:10 Navigating the practice / Research discourse**
Stuart Newman
- 12:30 Future direction of nursing & midwifery research in the UAE**
Associate Prof. Jane Griffiths
- 12:50 Framing a research question – what does the literature say?**
Mr Bakheet Sulieman Beshtawy
- 13:20 So you think you've got a research topic**
Stuart Newman
- 13:40 Choosing research methodology**
Jincy Mathews
- 14:10 Sustainability of best practices – educational opportunities & strategies**
Brigitte Peetz

14:30 Q & A

15:00 VISIT EXHIBITION

SESSION 2

Moderator: Associate Prof Jane Griffiths

- 16:00 Nursing work environment in Saudi Arabia**
Dr Ahmad Aboshaiqah
- 16:20 Lived experience of expatriate nurses working in an ED in Saudi Arabia**
Mark McCarthy
- 16:40 Orientation of internationally educated nurses in a multi-national setting**
Michelle Machon
- 17:00 Management of metabolic complications with use of regional citrate**
Shameena Beegom
- 17:20 Questions and panel discussion: Contemporary issues in nursing research - getting started**
Chair: Associate Prof. Jane Griffiths
Panel:
Mr Bakheet Sulieman Beshtawy
Stuart Newman
Jincy Mathews
Dr Ahmad Aboshaiqah

18:00 WRAP-UP AND END OF DAY ONE

Nursing Conference

Day 2, Sunday 23rd October 2016

Research and practice – a symbiotic relationship

Programme:

11:45 Welcome and opening remarks
Stuart Newman

SESSION 3

Moderator: Stuart Newman

12:00 Groin dressing post-cardiac catheter
Rokaia Mohammed

12:20 Knowing but not doing - hand hygiene
Ng Wai Khuan

12:40 Trends & cancellations of surgery in OT
Nasreena Navo Nazar

13:00 Onsite training for non-invasive ventilation in general wards
Sonia Cherian

13:20 Cost of VAC therapy during hospitalization and home care
Sabah Abu Shawish

13:40 Factors affecting women's compliance with gestational diabetes
Haneen Mohammed Bahafzallah

14:00 Q & A

14:30 VISIT EXHIBITION

SESSION 4

Moderator: Stuart Newman

15:30 Electronic EWS: A retrospective study
Frances Beadle

15:50 Validation of an EWS for long term ventilated patients
Mark Fielding

16:10 Arabian nights: Establishing after hours' rapid response systems in the UAE
Prof. Ged Williams

16:30 Questions and panel discussion: Implementing research into practice

Chair: Stuart Newman

Panel:

Associate Prof. Jane Griffiths

Ng Wai Khuan

Mark Fielding

Prof Ged Williams

17:15 WRAP-UP AND END OF CONFERENCE

Nursing Conference

SPEAKER FACULTY

Conference Chair:

Associate Prof. Jane Griffiths, Chief Nursing Information Officer, Dubai Healthcare Authority, Dubai, UAE

Speakers:

Dr Ahmad Aboshaiqah, Dean: College of Nursing, King Saud University, Riyadh, KSA
